FROM OUR STORE

Our big bags of bark and Cymbidium Mix are very popular. Two loads, each of about 1^{1/2} tonnes were fetched from the trucking company yard and dragged into the store last month, yet members at the back of the line thought that they might miss out.

Those members helping to set out chairs and benches, the supper table and the booking in would have been certain that they would miss out.

Please remember that the supplies in our store are for Members only and that large quantities should not be bought for on-selling to non members.

Therefore, John has instructed me that he will be selling a maximum of 3 bags of bark or Cymbidium Mix per member, per meeting night..
